EXPLANATION

The Streets are alphabetically arranged and have the number of the Block from where they start.

The Letter and Figure at the End is the Map Key.

We give the Street Car for every Street and Number.

With the assistance of this Guide a resident of one day can find any street as well as the one that lived here a lifetime.

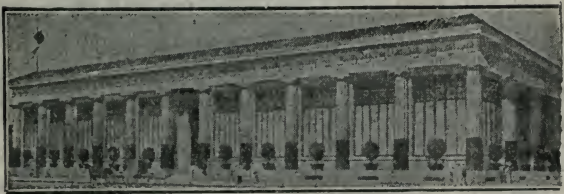

One hundred Numbers to each Block.

The Blocks north of Market contain 6 fifty varas and average north and south 16 Blocks to the mile, and east and west 11 Blocks to the mile.

The Blocks south of Market contain 12 fifty varas, 6 Blocks to the mile east and west, and 8 Blocks north and south.

Wine Room, "Heidelberg Inn," 35 Ellis St.

The "Heidelberg Inn" resembles the famous Inn, in dear old Heidelberg, Germany. It is without a doubt the only place of its kind in San Francisco. When you enter the place, its surroundings are such that you have at once that feeling, "Here I am at home."
